

This appendix lists all current models covered by the declaration of conformity for spectacle frames of Eschenbach Optik GmbH by April 23, 2026.

The “S” following some variant numbers is merely a logistical or sales-related designation. These “S” variants come from the same supplier and are technically and materially identical to the variants without an “S.” Unfortunately, this duplication in the appendix cannot be avoided due to data retrieval constraints.

Brand	Artikel	Variante	Warenart	EAN-Nummer	Rim	Mat.
